**DESCRIPTION**

What is Fresh Expressions?

Fresh Expressions is a movement that is cultivating new forms of church alongside existing congregations in order to reach a changing world. Begun in England 10 years ago, it has resulted in the birth of over 2,500 new communities in the UK alone. Fresh Expressions has spread to Australia, Canada, New Zealand, and is also taking shape in the US.

At its heart, Fresh Expressions is about empowering and equipping God's people to develop creative expressions of church that can reach the increasing diversity of our society.
